As a family run business, we ensure personal service at all times and one of our staff will be available seven days a week to help with any needs or unforeseen problems that may occur. Jan, our property manager, and her dedicated service team ensure that all apartments are cleaned and maintained to the highest standard.

Tamarisk Court is situated in an excellent location and is convenient for all local activities. Weymouth harbour, the town centre and beach are only a few minutes walk away.

During the summer season our properties are let on a week to week basis. However, between November and April we are able to offer longer term stays at vastly reduced rates. So, whether you want a short winter break or an extended stay, Charm Properties will be delighted to help.
